Training Course: The Certified Competent Manager

Training Course code: MA1129 From: 17 - 21 May 2026 Venue: Doha (Qatar) - Training Course Fees: 4725 € Euro

Introduction

In today's dynamic and results-oriented business environment, effective management is essential for achieving organizational success. Competent managers must possess a balanced set of skills that combine leadership, strategic thinking, communication, and operational excellence.

This program, developed by [Global Horizon Training Center](#), is designed to equip participants with the core competencies required to perform effectively as managers. It focuses on enhancing managerial capabilities in planning, decision-making, team leadership, communication, and performance management.

Participants will gain practical tools and techniques to lead teams, manage resources efficiently, and drive organizational performance while adapting to change and challenges in the modern workplace.

Course Objectives

By the end of this program, participants will be able to:

- Understand the core competencies of an effective manager
- Apply leadership and management principles in real-world scenarios
- Plan, organize, and manage work efficiently
- Improve decision-making and problem-solving skills
- Enhance communication and interpersonal effectiveness
- Lead and motivate teams for high performance
- Manage performance and achieve organizational objectives
- Adapt to change and drive continuous improvement
