Training Course: Effective Leadership

Training Course code: LS1057 From: 5 - 16 July 2026 Venue: Manama (Bahrain) - Training Course Fees: 7350 € Euro

Introduction

This seminar is designed for individuals with the potential to develop into supervisors, team leaders, and new managers. Regardless of job title, anyone in charge of others will benefit from this program, which prepares delegates for the transition from individual contributor to leadership roles. The seminar focuses on developing leadership skills, harnessing staff potential, setting clear goals, and creating an environment where employees thrive and take accountability for results.

The program emphasizes the importance of mindset, attitude, and motivation in professional success. According to the Harvard Business Review, "85% of the reason a person gets, keeps, and performs well in a job depends on their ATTITUDE." This seminar aims to promote dynamic, positive mindset changes, providing participants with the skills to motivate their teams and themselves to new levels of achievement.

Module 1: Mind, Attitude & Motivation

Module 2: Communication, Coordination & Leadership

Objectives

Upon completion of this power-packed seminar, participants will:

- Understand the specific role of supervisory management.
- Lead, motivate, and delegate effectively.
- Unlock the power of their creative mind and reprogram it for success.
- Recognize and address negative and restrictive mindsets.
- Understand the importance of teleological thinking and its role in leadership.
- Motivate and inspire others to achieve top-level performance and productivity.
- Master motivational strategies and incorporate them into daily leadership practices.
- Use motivational techniques to create a proactive, high-performance culture within teams.

Target Audience

- **Supervisors**
Those in early management roles seeking to enhance their leadership skills.
- **Executive Committee Members**
Senior leaders looking to sharpen their leadership approach.
- **Managers**
Mid-level managers aiming to boost team performance and leadership capabilities.
- **Team Leaders**
Individuals leading teams and looking to enhance their coordination and leadership skills.
