Conference: Mastering Contract Management and Claims Mitigation

Conference code: CO8238 From: 23 - 27 November 2026 Venue: London (UK) - Conference Fees: 6300 € Euro

Introduction

This program focuses on effective contract management to enhance company performance and profitability. It offers practical strategies to manage contracts at all stages, reduce disputes, and resolve them efficiently. Participants will learn techniques to improve business practices, seize opportunities, and mitigate risks. The emphasis is on developing commercial awareness through management procedures and key legal principles. This interactive program is designed to boost efficiency and minimize operational losses.

Objectives

- understanding of necessary contractual and legal knowledge
- understanding of and application of different types of agreements
- increased commercial awareness needed to enhance the smooth running of contracts
- increased ability to manage contracts with a view to reducing claims and conflict
- ability to identify and mitigate risk factors and associated commercial and program implications
- understanding of the importance of good record-keeping and service of contractual notices
- increased understanding of commercial liabilities resulting from schedule changes and variations
- improved ability, successfully to negotiate and maintain long term inter-business contracts with confidence
- understanding of the need to deal with issues as they arise and to resolve disputes within the contract structure wherever possible
- ability to analyze, negotiate and implement the most appropriate method of resolving disputes preventing escalation by early identification
