Training Course: Certified Specialist in Recruitment and Selection

Training Course code: HR235123 From: 13 - 17 December 2026 Venue: Amman (Jordan) - Training Course Fees: 4200 € Euro

Introduction

This professional certification program, designed by [Global Horizon Training Center](#), equips participants with the advanced knowledge and practical competencies required to excel in recruitment and selection within modern organizational environments.

Today, both government and private institutions face increasing challenges related to [global competition](#), [technological transformation](#), [evolving workforce expectations](#), and [organizational performance pressures](#). These challenges demand a strategic approach to human capital—where recruitment and selection are not merely operational tasks, but [critical drivers of organizational success, innovation, and sustainability](#).

This program provides a comprehensive framework that integrates [HR strategy](#), [workforce planning](#), [competency-based recruitment](#), and [digital hiring practices](#), enabling participants to identify, attract, assess, and appoint the right talent while ensuring alignment with organizational goals and culture.

Program Objectives

By the end of this training program, participants will be able to:

- Develop effective strategies for [identifying and attracting qualified candidates](#)
- Apply scientific and practical methods in [Human Resource Management](#)
- Design and implement [recruitment and selection policies](#) aligned with HR strategies
- Conduct professional [interviews and candidate assessments](#)
- Integrate recruitment processes with [job analysis, job descriptions, and workforce planning](#)
- Apply modern tools and techniques in [selection, evaluation, and hiring decisions](#)
- Utilize digital solutions and [e-recruitment systems](#) effectively
