Training Course: Contracts and Purchasing for Contracts Managers

Training Course code: PC235218 From: 28 September - 2 October 2026 Venue: London (UK) - Training Course Fees: 5775 € Euro

Introduction:

The Contracts and Purchasing training program is designed to provide Contracts Managers with a comprehensive understanding of the entire procurement cycle. In today's dynamic business environment, effective contract management and purchasing strategies are essential for organizational success. This program will equip Contracts Managers with the knowledge and skills required to manage contracts, negotiate effectively, and optimize procurement processes.

Target Audience:

This training program is specifically tailored for Contracts Managers, Procurement Managers, and professionals responsible for contract management and purchasing within their organizations. It is suitable for both newcomers to the field and experienced practitioners looking to enhance their skills.

Objectives:

By the end of this training program, participants will be able to:

- Understand the fundamentals of contract management and purchasing.
- Create, review, and manage contracts effectively.
- Implement best practices for supplier selection and evaluation.
- Negotiate contracts to achieve favorable terms and conditions.
- Optimize procurement processes to reduce costs and enhance efficiency.
