Training Course: Advanced Assertive Communication Skills

Training Course code: PS234744 From: 2 - 6 November 2026 Venue: Bangkok (Thailand) - Training Course Fees: 6350 €

Introduction

The success of assertive communication lies in an individual's ability to fully imbibe assertiveness in their mindset first. Assertiveness is often viewed as rude or stern. However, it is aggressive or passive communication styles that bring out misleading outcomes in communication.

Our Assertive Communication Training Course has helped several executives, managers, government employees and business owners acquire a paradigm shift in their mindset, thus allowing a breakthrough from their redundant communication exhibit.

Our post-training analysis records a display of positive assertive communication in all our participants, empowering them to embrace a higher level of success every day.

Course Objectives

The main objective of this course is to empower professionals with:

- the ability to reach a higher level of competence in assertive communication
- real-time feedback on their spoken communication aligned with assertiveness in 21st-century communication
- the ability to recognise language and vocal aspects that do not align with assertive communication
- capability to correct these errors and self-improvise
- understanding of the requisites of an assertive positive and collaborative communicator
- ability to express ideas assertively on any subject
- the skill to initiate conversations, offer feedback, respond to criticism and compliment people assertively
- understanding of the potential of assertive listening, questioning and acknowledging the other

Target Audience

- Presidents, Vice-presidents and Senior Management who are looking to increase their knowledge and skill in Assertive Communication
- Managers, Secretaries and Team Leaders across industries
- Administration executives responsible for communicating to different sectors of the business

- Executives who need assertive communication skills
- Trainers, teaching staff, educators and administrators responsible for interacting with students and faculty
- Human Resource Managers, Executives and Leaders responsible for employee engagement, performance and organisational development
- Government officials responsible for communication and administration in government sectors
- Hospital staff, support staff in volunteer camps and faculty communicating with external stakeholders
- Any other professional who would like to improve their ability to communicate assertively
