Training Course: Certified Employee Relationship Specialist

Training Course code: HR3005 From: 28 December 2026 - 1 January 2027 Venue: Amsterdam (Netherlands) - Training Course Fees: 5775 € Euro

Introduction

This program, designed by Global Horizon Training Center, focuses on enhancing organizational productivity and employee motivation through the application of best practices in [Employee Relations ER](#).

In modern organizations, the way employees are treated directly influences performance, engagement, and retention. This program equips participants with the knowledge and practical skills required to create a [supportive, fair, and high-performing work environment](#), where both individual and collective issues are managed effectively.

The seminar emphasizes building strong relationships between the ER function and line management, ensuring that policies are not only well-designed but also properly implemented. Participants will explore how to handle critical workplace challenges such as absenteeism, performance issues, and employee expectations, while fostering a culture of trust, communication, and accountability.

Objectives

By the end of this program, participants will be able to:

- Understand the role of Employee Relations in organizational success
- Align ER practices with management and leadership functions
- Manage organizational change effectively
- Address performance issues and influence employee behavior
- Apply disciplinary and grievance procedures professionally
- Manage absenteeism and workplace conduct issues
- Support managers and supervisors in handling employee relations challenges
- Understand and implement Employee Assistance Programs EAP
