Training Course: Optimizing Social Media Presence: Tactics for Specialists

Training Course code: SM235703 From: 28 December 2026 - 1 January 2027 Venue: London (UK) - Training Course
Fees: 5775 € Euro

Introduction

In today's digital-first landscape, social media is a primary channel for brand visibility, customer engagement, and revenue generation. Specialists are expected to go beyond basic posting—leveraging analytics, content strategy, and platform-specific tactics to deliver measurable results.

This program, designed by Global Horizon Training Center, equips participants with advanced, practical techniques to optimize social media presence, enhance engagement, and drive conversions across key platforms.

Course Objectives

By the end of this program, participants will be able to:

- Develop platform-specific social media strategies
- Optimize profiles and content for maximum reach and engagement
- Create high-performing content aligned with audience behavior
- Use analytics and insights to improve performance
- Apply advanced engagement and community management tactics
- Run and optimize paid social media campaigns
- Build brand consistency and digital identity
- Increase conversions and ROI from social media efforts

Target Audience

This program is designed for:

- Social Media Specialists and Managers
- Digital Marketing Professionals
- Content Creators and Brand Managers
- Marketing and Communications Teams
- Entrepreneurs and Business Owners
- Professionals managing online brand presence
