Conference: Impact of Technology Innovation & New Business Models on Supply Chains

Conference code: CO234630 From: 13 - 17 December 2026 Venue: Cairo (Egypt) - Holiday Inn & Suites Cairo Maadi, an IHG Hotel Conference Fees: 4100 € Euro

Introduction

Growing overseas require access to markets, capital, and competitive differentiation. In the context of Asia, suppliers are usually much less technologically sophisticated compared to their overseas buyers in major world markets. As new technologies transform business models and automate business processes, traditional supply chains in sourcing, manufacturing, distribution, and logistics are being affected, with clear threats of disintermediation.

Objectives

- Understand the transformative potential of new technologies.
- Apply technology at strategic and operational supply chain levels.
- Leverage shared services and platforms for competitive advantage.
- Develop a roadmap to use technology as an enabler and differentiator.
