Training Course: Contract Management and Tendering

Training Course code: PC4067 From: 7 - 11 December 2026 Venue: London (UK) - Training Course Fees: 5775 € Euro

Introduction

High-quality contract and tender management are essential for improving organizational performance. This program equips professionals with the knowledge and skills to manage contracts strategically, moving beyond tactical execution. Participants will learn how to implement best practices in contract creation, tendering, evaluation, and management, ensuring value and compliance in the acquisition of goods, equipment, and services.

The program emphasizes:

- Contract management as a professional discipline
- Effective procurement and competitive bidding processes
- Strategic tender evaluation and contract selection
- Development of performance-based contracts
- Practical approaches to contract preparation and administration

Objectives

Participants will be able to:

- Discuss elements of a good procurement process
- Learn methods of tender evaluation
- Review different contract strategies
- Explore steps in developing performance-based service contracts
- Analyze and apply important commercial contract clauses
- Understand the essential elements of a contract
- Use practical contract checklists and sources for implementation

Target Audience

- Contract Managers and Administrators
- Procurement and Tendering Professionals
- Project Managers and Coordinators involved in contract oversight
- Supply Chain and Operations Managers
- Anyone responsible for sourcing, supplier management, or contract negotiation

Programme Outline
