Training Course: Crisis Management for Central Bank's Digital Currencies (CBDCs)

Training Course code: SC234984 From: 27 September - 1 October 2026 Venue: Sharm El-Sheikh (Egypt) - Sheraton Sharm Hotel Training Course Fees: 4775 € Euro

Introduction

This training program is designed to provide participants with a comprehensive understanding of crisis management principles in the event of a security breach or another adverse event involving CBDCs. The program aims to equip participants with the skills and knowledge needed to develop and execute effective crisis management strategies for CBDCs.

Target audience

The program is intended for :

- Financial and Technology Sector Professionals: Individuals working across banking, fintech, and digital innovation sectors involved in financial systems and emerging technologies.
- Government Officials & Policymakers: Decision-makers responsible for developing strategies, regulations, and crisis response frameworks for CBDCs and digital financial systems.
- Central Bank Staff: Professionals involved in monetary policy, CBDC operations, and financial system stability and oversight.
- Industry Leaders: Senior executives responsible for strategic decision-making and organizational resilience in financial and technology sectors.
- Risk Management Professionals: Specialists focused on identifying, assessing, and mitigating operational, financial, and systemic risks in CBDC environments.
- Legal & Compliance Experts: Professionals ensuring regulatory adherence, legal preparedness, and compliance during CBDC crisis scenarios.
- Communication Professionals: Experts responsible for crisis communication, stakeholder engagement, and public messaging during CBDC-related incidents.

Objectives

The program aims to achieve the following objectives:

- Understand the importance of crisis management in the context of CBDCs.
- Develop effective crisis management plans for CBDCs.
- Identify key stakeholders and establish communication channels and protocols in the event of a crisis.
- Develop effective crisis communication strategies to maintain public trust in CBDCs.
- Understand legal and regulatory frameworks governing CBDC crisis management and develop effective legal and regulatory communication strategies.

Outlines

Day 1: Introduction to Crisis Management for CBDCs

- Understanding the importance of crisis management in CBDC ecosystems
- Overview of potential crisis scenarios in CBDC environments
- Key principles and frameworks for effective crisis management in CBDCs

Day 2: Crisis Preparedness for CBDCs
