Training Course: Introduction to Business Contracts: A Practical Guide

Training Course code: PC4045 From: 17 - 28 August 2026 Venue: London (UK) - Training Course Fees: 9450 € Euro

Introduction

Understanding and managing contract risk is critically important for organizations. Poor contract management can result in lost opportunities, disputes, and financial losses. This program provides a practical, hands-on guide to contract law and management, focusing on risk, key clauses, and dispute avoidance. Participants will learn to negotiate, manage, and implement contracts efficiently while minimizing risk and maximizing organizational value.

Objectives

By the end of the program, participants will be able to:

- Understand the law and practice of contract risk.
- Analyze key contract provisions and manage risks effectively.
- Identify essential clauses and their terms and conditions.
- Negotiate contracts to protect organizational interests.
- Anticipate potential contract issues and mitigate their effects.
- Avoid disputes or manage them effectively when they occur.
- Improve commercial and operational outcomes through better contract management.

Target Audience

- Contract managers and administrators
- Procurement and purchasing professionals
- Legal and commercial staff
- Project managers with contract responsibilities
- Senior executives involved in contract approvals

10-Day Program Outline
