

*Training Course:
ISPS Port Facility Security Officer*

17 - 21 May 2026

Cairo (Egypt)

Holiday Inn & Suites Cairo Maadi, an IHG Hotel

Training Course: ISPS Port Facility Security Officer

Training Course code: MM234636 From: 17 - 21 May 2026 Venue: Cairo (Egypt) - Holiday Inn & Suites Cairo Maadi, an IHG Hotel Training Course Fees: 4410 € Euro

Introduction

Maritime security is a critical priority for ports and port facilities, requiring dedicated professionals to ensure compliance with international regulations and the protection of assets, personnel, and operations. The **Port Facility Security Officer PFSO** plays a key role in implementing and maintaining effective security measures in accordance with the **International Ship and Port Facility Security ISPS Code**, developed by the **International Maritime Organization IMO**.

This program, developed by **Global Horizon Training Center**, is designed to equip participants with the competencies required to perform the duties of a Port Facility Security Officer. It focuses on security risk assessment, development and implementation of Port Facility Security Plans PFSP, access control, incident response, and compliance with international maritime security standards.

Participants will gain practical knowledge and skills to manage port security operations effectively, coordinate with stakeholders, and ensure a high level of preparedness against security threats.

Course Objectives

By the end of this program, participants will be able to:

- Understand the structure and requirements of the ISPS Code
- Perform the roles and responsibilities of a Port Facility Security Officer PFSO
- Conduct port facility security assessments PFSA
- Develop, implement, and maintain Port Facility Security Plans PFSP
- Manage access control and monitoring systems
- Respond to security threats and incidents effectively
- Coordinate with SSO, CSO, and relevant authorities
- Ensure compliance with maritime security regulations and audits
