Training Course: Implementing Best Practice Processes in your Work and Organization

Training Course code: MA9293 From: 27 September - 8 October 2026 Venue: Sharm El-Sheikh (Egypt) - Sheraton Sharm Hotel Training Course Fees: 4350 € Euro

Introduction

In today's competitive and efficiency-focused environment, organizations must adopt best practice processes to enhance performance, ensure consistency, and achieve operational excellence. Implementing proven practices enables organizations to optimize workflows, reduce errors, and deliver high-quality outcomes aligned with strategic objectives.

This program, developed by [Global Horizon Training Center](#), provides participants with practical frameworks and tools to identify, adapt, and implement best practices within their work and organizational processes. It focuses on bridging the gap between theory and execution, ensuring that best practices are effectively integrated and sustained.

Participants will gain the skills to benchmark performance, standardize procedures, and drive continuous improvement across their organizations.

Course Objectives

By the end of this program, participants will be able to:

- Understand the concept and importance of best practices
- Identify and benchmark best practices within and outside the organization
- Analyze existing processes and identify improvement opportunities
- Adapt best practices to organizational needs and contexts
- Implement and standardize improved processes
- Monitor and evaluate process performance
- Promote a culture of continuous improvement and excellence
- Enhance efficiency, quality, and organizational performance

Target Audience

This program is designed for:

- Managers and Supervisors
- Operations and Process Improvement Professionals
- Quality Assurance and Continuous Improvement Teams
- Project and Program Managers
- Business Analysts and Organizational Development Professionals
- Government and Public Sector Employees
- Professionals responsible for process optimization and performance improvement
