Training Course: Customer Service & Public Relations

Training Course code: RR5028 From: 13 - 17 July 2026 Venue: London (UK) - Training Course Fees: 5775 € Euro

Introduction

This advanced masterclass combines customer service excellence, strategic communication, and public relations practices to help professionals build strong customer and stakeholder relationships in today's dynamic business environment. Through practical techniques in communication, influence, emotional intelligence, stakeholder engagement, and reputation management, participants will learn how to enhance customer satisfaction, strengthen loyalty, manage challenging interactions, and communicate effectively across multiple channels while supporting organizational objectives.

Target Audience

- Customer Service Managers and Supervisors
- Customer Experience CX Professionals
- Client Relations and Account Management Personnel
- Public Relations and Corporate Communications Professionals
- Stakeholder Engagement and Community Relations Officers
- Sales and Business Development Professionals
- Marketing and Brand Management Specialists
- Frontline Customer Service Representatives
- Contact Center and Service Delivery Team Leaders
- Corporate Affairs and External Relations Personnel
- Professionals responsible for customer engagement, communication, and relationship management
- Individuals seeking to strengthen their communication, influence, and stakeholder management skills

Objectives

- Build lasting rapport and lasting relationships with colleagues, customers and friends
- Modify your own behaviour to match others
- Establishing good working relationships
- Learn to influence with integrity
- To use influencing skills and techniques to build ongoing and long term relationships with key customers and other stakeholders
- To be able to create and adapt crystal clear models for communication between your organisation and its customers

- Build co-operation and commitment
- Understand your customers' needs and how to satisfy them
- An ability to tailor services to meet your stakeholders needs
- Plan communications activity to meet stakeholder needs
- Be more versatile in every customer or stakeholder-facing situation
- Explore the range of communications techniques and tools available
- Develop increased skill writing for print and the web and competency in the range of PR tools and techniques including editing
- Learn how to write clear brief and clear objectives
- Learn how to be an effective user of e-media
- Develop crisis management techniques
- Develop your interview technique
- Develop personal communications effectiveness
- Recognise behaviours that may cause conflict in the future, enabling you to defuse awkward, and sometimes critical, confrontations with colleagues and customers alike
