Training Course: Drafting Legal Memorandum and Correspondence

Training Course code: PC4100 From: 3 - 7 August 2026 Venue: Tbilisi (Georgia) - Training Course Fees: 5775 € Euro

Introduction

Effective contract drafting is crucial to minimize organizational risk, ensure smooth project execution, and prevent disputes. Poorly understood contract wording can negatively impact project performance and even lead to contract failure. This course equips participants with practical skills to draft, analyze, and manage contracts, tendering procedures, and correspondence, reflecting best practices from major international organizations.

Key highlights:

- Legal effectiveness and formation of contracts
- Selecting appropriate contract types and tender processes
- Key clauses focusing on risk, remedies, and insurance
- Securing performance of obligations
- Dispute avoidance and resolution

Course Objectives

By the end of this program, participants will be able to:

- Understand contract structures and rationale behind specific drafting approaches
- Explain the commercial impact of key contractual provisions
