Training Course: Payroll Management & Effective Payroll Controls

Training Course code: MA234682 From: 8 - 12 November 2026 Venue: Doha (Qatar) - Training Course Fees: 4725 € Euro

Introduction

Efficient payroll management is critical to organizational success, requiring accuracy, compliance, and strong internal controls. The [Payroll Management & Effective Payroll Controls](#) program equips participants with the knowledge and practical skills needed to manage payroll operations effectively and ensure compliance with regulatory requirements.

This program focuses on payroll processing, integration with HR and finance functions, risk management, and the implementation of effective control systems to enhance accuracy, transparency, and efficiency.

Course Objectives

By the end of this program, participants will be able to:

- Understand payroll systems and regulatory compliance requirements
- Manage payroll operations efficiently and accurately
- Implement payroll processes and procedures effectively
- Generate payroll reports for internal and external use
- Integrate payroll with HR and finance functions
- Identify payroll risks and implement appropriate controls
- Conduct payroll audits and ensure compliance
- Utilize payroll software and data processing techniques
- Plan, organize, and monitor payroll activities

Target Audience

This program is designed for:

- Payroll Administrators and Officers
- Human Resources Professionals
- Accountants and Finance Staff
- Professionals involved in payroll processing and compliance
- Individuals seeking to enhance payroll management skills
