Training Course: Effective Marketing Management & Research Methods

Training Course code: SM234621 From: 29 June - 3 July 2026 Venue: Barcelona (Spain) - Training Course Fees: 5775 € Euro

Introduction

This training program is designed by [Global Horizon Training Center](#) to provide participants with a solid foundation in marketing management and research, enabling them to respond effectively to increasing competition and economic pressures.

In today's dynamic business environment, organizations must rely on structured marketing strategies and data-driven insights to generate demand and sustain competitive advantage. This program introduces essential marketing concepts, including planning, auditing, communications, and research methodologies, in a practical and applicable manner.

It is particularly suitable for professionals who are new to marketing or those seeking to refresh and strengthen their marketing expertise.

Course Objectives

By the end of this program, participants will be able to:

- Define the marketing framework within a business organization
- Conduct marketing audits and analyze both micro and macro environments
- Apply best practices, tools, and models in marketing and sales management
- Develop strategic initiatives to build and sustain competitive advantage
- Plan and execute effective marketing strategies
- Utilize marketing research techniques to support decision-making
