Training Course: Recruitment Excellence: Advancing Talent Attraction Strategies

Training Course code: HR235415 From: 30 August - 3 September 2026 Venue: Doha (Qatar) - Training Course Fees: 4725 € Euro

Introduction

This training program, designed by [Global Horizon Training Center](#), is developed to equip recruitment professionals with the strategic, operational, and interpersonal competencies required to excel in today's highly competitive talent market.

In modern organizations, recruitment is no longer a transactional function—it is a **strategic driver of organizational success**, directly influencing workforce quality, culture alignment, and long-term performance. Organizations that succeed in attracting and retaining top talent are those that integrate **innovative sourcing strategies, strong employer branding, and data-driven decision-making** into their recruitment processes.

This program provides a comprehensive framework that enables participants to enhance recruitment expertise, build high-performing teams, and position themselves as strategic contributors to organizational growth.

Program Objectives

By the end of this program, participants will be able to:

- **Master Recruitment Strategies:** Apply advanced and innovative recruitment approaches aligned with organizational objectives
- **Strengthen Employer Branding:** Build and communicate a compelling Employer Value Proposition EVP
- **Drive Organizational Growth:** Utilize talent acquisition as a lever for productivity and competitive advantage
- **Optimize Team Performance:** Lead, develop, and manage high-performing recruitment teams
