Training Course: Leading Strategic HR Transformation

Training Course code: HR3025 From: 22 - 26 June 2026 Venue: Tbilisi (Georgia) - Training Course Fees: 5775 € Euro

Introduction

The role of Human Resources is undergoing a fundamental transformation—from an operational support function to a **strategic business partner that drives organizational performance and long-term value**. Modern organizations expect HR professionals to contribute at the executive level by shaping strategy, enabling change, and delivering measurable business outcomes.

Leading global bodies such as the Chartered Institute of Personnel and Development consistently emphasize that the future of HR lies in its ability to integrate with business strategy, leverage data, and influence decision-making at the highest level.

This program is designed to bridge the gap between **traditional HR practices and strategic HR leadership**, equipping participants with the frameworks, tools, and executive mindset required to transition into high-impact roles. It focuses on **strategic planning, predictive analytics, human capital measurement, and executive communication**, enabling HR professionals to become true drivers of business success.

Program Objectives

By the end of this program, participants will be able to:

- Master advanced **HR strategic planning processes and models**
- Translate business strategy into **actionable HR objectives using the 6 S model**
- Develop and implement **HR strategic action plans aligned with organizational goals**
- Generate and interpret **predictive HR insights and workforce trends**
- Conduct **executive-level business interviews and presentations**
- Understand the future of employment and workforce dynamics
- Build confidence to operate effectively at **senior and executive levels**
