Training Course: The Essentials of Contracting & Contract Negotiation

Training Course code: PC4005 From: 22 June - 3 July 2026 Venue: London (UK) - Training Course Fees: 9450 € Euro

Introduction

Every organization gains and loses substantial revenue based on the contractual agreements governing the purchase of goods, services, and equipment. A robust understanding of contract creation, negotiation, management, and dispute resolution is essential for professionals engaged with external organizations.

This program equips participants with the skills to:

- Create, draft, and manage contracts effectively
- Understand key contract clauses and legal implications
- Apply negotiation strategies to maximize organizational value
- Resolve disputes collaboratively or through third-party mechanisms

The program is modular and can be taken as two separate modules—[Essentials of Contracting](#) and [Negotiating & Dispute Resolution](#)—or as a combined 10-day intensive course.

Course Objectives

Participants will:

- Understand how contracts are formed and the principles behind key clauses
- Apply contract types and structures suitable for different risk profiles
- Transfer and mitigate risks using contracts
- Master dispute resolution techniques litigation, arbitration, mediation
- Implement structured negotiation processes for win-win outcomes
- Manage conflicts and meetings effectively in both individual and team contexts

Target Audience

- Contract Managers, Administrators, and Specialists
- Procurement Professionals and Senior Buyers
- Project Managers and Program Managers
- Legal Advisors and Business Development Professionals
- Professionals responsible for vendor, supplier, or client contracts
