

*Training Course:
Process Safety Management Compliance*

20 - 24 September 2026

Cairo (Egypt)

Holiday Inn & Suites Cairo Maadi, an IHG Hotel

Training Course: Process Safety Management Compliance

Training Course code: EN6012 From: 20 - 24 September 2026 Venue: Cairo (Egypt) - Holiday Inn & Suites Cairo Maadi, an IHG Hotel Training Course Fees: 4410 € Euro

Introduction

Process Safety Management PSM is a structured framework designed to prevent catastrophic incidents such as fires, explosions, and toxic releases in high-hazard industries. Ensuring compliance with PSM standards is critical for protecting people, assets, and the environment, while maintaining operational integrity.

This program, designed by Global Horizon Training Center, equips participants with the knowledge and practical tools required to implement, maintain, and audit PSM systems in line with international standards and regulatory requirements.

Course Objectives

By the end of this program, participants will be able to:

- Understand the principles and elements of Process Safety Management
- Interpret PSM regulatory requirements OSHA, API, CCPS
- Identify process hazards and conduct risk assessments
- Implement PSM elements across operations
- Develop and manage safety documentation and procedures
- Conduct compliance audits and gap analysis
- Investigate incidents and apply corrective actions
- Improve safety culture and operational integrity

Target Audience

This program is designed for:

- Process and Chemical Engineers
- HSE and Safety Professionals
- Operations and Plant Managers
- Maintenance and Reliability Engineers
- Compliance and Audit Personnel
- Oil & Gas and Industrial Professionals
