Training Course code: HR3026 From: 25 October - 5 November 2026 Venue: Amman (Jordan) - Training Course Fees: 6350 € Euro

### Introduction

In today's rapidly evolving business environment, Human Resources is no longer a support function—it is a **core driver of organizational strategy, performance, and competitive advantage**. Organizations across the globe, particularly in dynamic regions such as the Middle East, are facing increasing pressure to **optimize costs, enhance workforce productivity, and remain competitive in volatile markets**.

This comprehensive certification program is designed to equip HR professionals with the **latest strategic frameworks, analytical tools, and leadership capabilities** required to transform HR into a **high-impact, value-generating function**. It integrates modern HR thinking with practical application, focusing on both **strategic transformation and operational excellence**.

The program combines two critical dimensions:

- Leading Strategic HR Transformation
- The Business of HR

Participants will gain the ability to **align HR strategy with business goals, measure human capital impact, and lead organizational change effectively**.

### Course Objectives

By the end of this program, participants will be able to:

- Master advanced **HR strategic planning models and frameworks**
- Translate business strategy into **HR objectives using the 6 S model**
- Develop and implement **HR strategic action plans**
- Analyze and interpret **predictive HR data and trends**
- Build and present **executive-level HR insights and reports**
- Align HR practices with **global and regional business environments**
- Apply best practices in:
  - Leadership & Management
  - Recruitment & Retention
  - Performance Management
  - Employee Relations
  - Organizational Design
- Demonstrate the **strategic value of HR through measurable outcomes ROI**
