Training Course: Contract Management: From Principles to Action

Training Course code: PC236436 From: 9 - 13 November 2026 Venue: London (UK) - Training Course Fees: 5775 € Euro

Introduction

Effective contract management is essential for ensuring that organizations achieve value, minimize risk, and maintain strong relationships with suppliers, contractors, and stakeholders. Contracts govern critical business transactions, and managing them efficiently requires both legal understanding and practical management skills.

The Contract Management: From Principles to Action training program is designed to equip professionals with the knowledge and practical tools required to manage contracts throughout their lifecycle—from planning and drafting to negotiation, execution, monitoring, and closure. Participants will learn how to translate contract principles into actionable practices that improve performance, reduce disputes, and enhance organizational outcomes.

This training program is designed by Global Horizon Training Center to provide participants with a practical, structured, and interactive learning experience combining international best practices, real-world case studies, and hands-on exercises.

Objectives

By the end of this program, participants will be able to:

- Understand the fundamental principles of contract management.
- Identify the key stages of the contract lifecycle.
- Develop effective contract drafting and negotiation strategies.
- Recognize and mitigate contractual risks.
- Monitor contract performance and ensure compliance.
- Manage relationships with suppliers and contractors effectively.
- Handle contract variations, claims, and dispute resolution.
- Apply practical tools to manage contracts efficiently within their organizations.

Course Methodology

The program uses an interactive and practical training approach including:

- Expert-led presentations and guided discussions
- Real-world case studies and examples

- Group exercises and workshops
- Contract analysis and drafting simulations
- Negotiation role-play scenarios
- Practical tools and templates for contract management
- Participant experience sharing and problem-solving sessions

Organizational Impact

Organizations whose employees attend this program will benefit from:

- Improved contract negotiation outcomes
- Reduced legal and financial risks in contracts
- Better supplier and contractor management
- Increased compliance with contractual obligations
- More efficient contract monitoring and reporting
- Stronger alignment between contract terms and organizational goals
- Reduced disputes and improved contract performance

Target Audience

This program is designed for professionals involved in contracts, procurement, and project management, including:

- Contract Managers and Contract Administrators
- Procurement and Supply Chain Professionals
- Project Managers and Project Coordinators
- Legal and Compliance Officers
- Finance and Commercial Managers
- Vendor and Supplier Management Professionals
- Government and public sector officers managing contracts
