Training Course: Environmental, Social & Governance (ESG)

Training Course code: LS236287 From: 7 - 11 September 2026 Venue: Madrid (Spain) - Training Course Fees: 5775 € Euro

Introduction

In today's global business landscape, Environmental, Social, and Governance ESG principles have become critical drivers of organizational sustainability, ethical responsibility, and long-term value creation. Stakeholders, including investors, regulators, customers, and communities, increasingly demand transparency and accountability in ESG performance.

This training program, designed by Global Horizon Training Center, equips participants with comprehensive knowledge and practical strategies to integrate ESG principles into corporate strategies, operations, and reporting frameworks. It empowers leaders and professionals to create meaningful impact while meeting compliance standards and enhancing organizational reputation.
