Training Course: Advanced Strategic Branding & Creative Leadership

Training Course code: SC236438 From: 15 - 19 November 2026 Venue: Dubai (UAE) - Training Course Fees: 5390 € Euro

Introduction

Global Horizon Training Center presents this advanced training program as a strategic evolution of the Creative Brand Design course. While the original program focuses on developing brand identity from concept to execution, this advanced version elevates participants to a leadership level where branding becomes a strategic, organizational, and value-driven function.

This program is designed to bridge the gap between creative execution and strategic brand management, enabling professionals to lead branding initiatives across complex organizations, government entities, and large-scale institutions.

Participants will gain the ability to design, manage, govern, and transform brands in alignment with business objectives, digital transformation, and stakeholder expectations.

Objectives

By the end of this program, participants will be able to:

- Develop advanced brand strategies aligned with organizational goals
- Lead creative teams and drive innovation in branding
- Design integrated and scalable visual identity systems
