## Training Course: Advanced Legal Strategy and Operations Management

Training Course code: SC236461 From: 6 - 17 September 2026 Venue: Amman (Jordan) - Training Course Fees: 6900 € Euro

### Introduction

Welcome to the Advanced Legal Strategy and Operations Management training program, designed by Global Horizon Training Center. This comprehensive program is tailored to equip legal professionals, managers, and organizational leaders with advanced strategic and operational capabilities required to manage modern legal functions effectively.

In today's rapidly evolving regulatory and business environments, legal departments must go beyond traditional advisory roles and operate as strategic partners within organizations. This program focuses on integrating legal strategy with business objectives, optimizing legal operations, enhancing compliance frameworks, managing risks, and leveraging technology to improve efficiency and decision-making.

### Objectives

By the end of this program, participants will be able to:

- Develop and implement advanced legal strategies aligned with organizational goals
- Enhance the efficiency of legal operations and workflows
- Design and manage compliance and governance frameworks
- Identify, assess, and mitigate legal and regulatory risks
- Optimize contract management processes and vendor relationships
- Apply legal project management techniques
- Utilize legal technology and data analytics in decision-making
- Strengthen leadership and communication skills within legal functions
- Improve collaboration between legal departments and business units

### Course Methodology

This program adopts a practical and interactive approach, including:

- Instructor-led presentations and expert insights
- Real-life case studies and legal scenarios

- Group discussions and workshops
- Hands-on exercises and simulations
- Legal strategy development projects
- Role-playing for negotiation and decision-making
- Assessment quizzes and feedback sessions

## Organizational Impact

Organizations participating in this program will benefit from:

- More strategic and proactive legal departments
- Improved compliance and reduced legal risks
- Enhanced operational efficiency within legal functions
- Better contract management and cost control
- Stronger alignment between legal and business strategies
- Increased ability to handle complex legal challenges
- Improved governance and regulatory adherence

## Target Audience

This program is designed for:

- Legal Managers and In-house Counsel
- Corporate Lawyers and Legal Advisors
- Compliance Officers and Risk Managers
- Senior Executives involved in legal decision-making
- Contract Managers and Procurement Professionals
- Government and NGO legal professionals
