## Training Course: Certified Internal Auditor (CIA) □ Part 2 Exam Preparation

Training Course code: FI236470 From: 21 - 25 September 2026 Venue: Barcelona (Spain) - Training Course Fees: 5775 □ Euro

### Introduction

The Certified Internal Auditor CIA - Part 2 Exam Preparation program is a comprehensive and intensive course designed to equip professionals with the knowledge, skills, and exam strategies required to successfully pass Part 2 of the CIA certification, awarded by the Institute of Internal Auditors.

This program, designed by Global Horizon Training Center, focuses on the practical application of internal auditing principles, particularly in planning, executing, and communicating audit engagements. It is fully aligned with the latest CIA Part 2 exam framework, covering key domains including Engagement Planning 50%, Information Gathering & Analysis 40%, and Communication & Supervision 10% .

Through a structured, exam-focused approach, participants will gain both theoretical understanding and practical competencies, ensuring readiness to pass the exam and perform effectively in real-world audit environments.

### Objectives

By the end of this program, participants will be able to:

- Understand the CIA Part 2 exam structure and key focus areas
- Apply risk-based internal auditing methodologies
- Plan and execute internal audit engagements effectively
- Analyze audit evidence using appropriate tools and techniques
- Evaluate internal controls, risks, and governance processes
- Identify fraud risks and recommend mitigation strategies
- Prepare audit workpapers and professional reports
- Apply effective communication techniques in audit engagements
- Solve exam-style questions confidently and efficiently

### Course Methodology

The program adopts a high-impact, exam-oriented methodology:

- Instructor-led training
- Full coverage of CIA Part 2 syllabus based on IIA standards
- Practice questions and exam simulations
- Real-life audit case studies and scenarios
- Interactive discussions and group exercises
- Mock exams with performance analysis
- Continuous coaching and exam strategies

## Organizational Impact

Organizations will benefit from participants who can:

- Conduct internal audits with higher efficiency and accuracy
- Strengthen internal control and governance frameworks
- Improve compliance with international auditing standards
- Enhance risk identification and mitigation capabilities
- Deliver high-quality audit reports and insights
- Support strategic decision-making through audit findings

## Target Audience
