Training Course: Exam Prep for NEBOSH International General Certificate (IGC)

Training Course code: SC236048 From: 7 - 18 June 2026 Venue: Dubai (UAE) - Training Course Fees: 8470 € Euro

Introduction

This comprehensive 10-day training program by Global Horizon Training Center is meticulously designed to prepare participants for the NEBOSH International General Certificate IGC exam. Covering the full syllabus of IGC1 Management of Health and Safety, IGC2 Risk Assessment, and IGC3 Practical Application, the program combines theoretical knowledge, practical application, and intensive exam-focused activities. It ensures that participants not only understand the core principles of health and safety management but are also fully equipped with the tools and strategies to confidently pass the NEBOSH IGC exam.

Objectives

By the end of this course, participants will:

- Grasp the core principles of international health and safety management systems.
- Understand key legal frameworks and their application in various work environments.
- Identify workplace hazards and implement control measures.
- Conduct thorough risk assessments and recommend practical improvements.
- Apply best practices in incident investigation, emergency procedures, and environmental management.
- Build effective exam strategies and practice extensively with real-world scenarios.
- Be fully prepared to undertake the NEBOSH IGC exam with confidence.
