Training Course code: SC236439 From: 6 - 10 September 2026 Venue: Cairo (Egypt) - Holiday Inn & Suites Cairo Maadi, an IHG Hotel Training Course Fees: 4100 € Euro

Introduction

Global Horizon Training Center, is a global initiative developed to raise the level of training and consultancy by increasing the efficiency of public and private institutions, government agencies, and non-governmental organizations. Through a distinguished network of expert trainers, consultants, university professors, and senior practitioners, Global Horizon delivers world-class programs across more than 20 countries worldwide.

This training program, "Advanced Board Governance & Strategic Oversight for Directors," is designed by Global Horizon Training Center to equip Directors and Board Members with advanced governance capabilities, strategic oversight techniques, and high-level decision-making competencies required in today's complex and rapidly evolving business environment.

The program focuses on enhancing Board effectiveness, strengthening governance frameworks, optimizing strategic alignment, and ensuring robust oversight of organizational performance, risk, and compliance. It provides participants with practical tools, global best practices, and real-world insights to elevate their contribution at the Board level and drive sustainable organizational success.

Objectives

By the end of this program, participants will be able to:

- Strengthen their understanding of advanced Board governance principles and frameworks
- Enhance Board-level strategic oversight and decision-making capabilities
- Evaluate and improve Board effectiveness, structure, and performance
- Integrate governance with strategy, risk management, and organizational performance
- Apply best practices in corporate governance aligned with international standards
- Strengthen oversight of executive management and organizational accountability
- Enhance Board contribution to long-term value creation and sustainability
- Navigate complex governance challenges, including crisis situations and ethical dilemmas
