Training Course: Advanced Leadership Program

Training Course code: MA236495 From: 6 - 10 December 2026 Venue: Dubai (UAE) - Training Course Fees: 5200 € Euro

Introduction

Leadership has become one of the most critical drivers of organizational success in today's rapidly changing and highly competitive business environment. Modern leaders are expected to inspire teams, drive innovation, manage change, make strategic decisions, and create sustainable organizational growth while maintaining operational excellence and employee engagement.

This training program, designed by Global Horizon Training Center, provides participants with advanced leadership knowledge, strategic management capabilities, and practical leadership tools required to lead effectively in complex and dynamic environments. The program focuses on enhancing leadership performance through strategic thinking, emotional intelligence, communication excellence, decision-making, team development, and organizational transformation.

Participants will gain practical insights into modern leadership approaches, high-performance team management, change leadership, conflict resolution, and executive communication through interactive workshops, real-world case studies, leadership simulations, and practical exercises.

Course Objectives

By the end of this program, participants will be able to:

- Understand advanced leadership principles and practices
- Develop strategic thinking and decision-making capabilities
- Enhance communication and interpersonal leadership skills
- Lead teams effectively in dynamic environments
- Apply emotional intelligence in leadership situations
- Manage organizational change and transformation initiatives
- Improve problem-solving and conflict management skills
- Strengthen employee engagement and motivation strategies
- Build high-performance teams and leadership culture
- Enhance organizational performance through effective leadership
