Training Course: Certificate in Business Strategies and Leadership Practice

Training Course code: LS236307 From: 28 June - 2 July 2026 Venue: Dubai (UAE) - Training Course Fees: 5200 € Euro

Introduction

In today's rapidly evolving business environment, organizations need leaders who can think strategically, adapt to challenges, and drive sustainable growth. Leadership is no longer limited to managing teams; it involves creating vision, setting direction, and making strategic decisions that shape the organization's future. This program is designed to provide participants with the knowledge, tools, and practical frameworks to link strategy with leadership practice. Through interactive sessions, real-world case studies, and group exercises, participants will strengthen their ability to design and execute effective strategies while enhancing their leadership capabilities.

Objectives

By the end of this program, participants will be able to:

- Understand the principles of business strategy formulation and execution.
- Apply leadership practices that align with organizational strategy.
- Analyze market environments and competitive dynamics to inform decision-making.
- Drive innovation, change management, and organizational growth through effective leadership.
- Develop practical action plans to apply strategic leadership in their workplace.

Target Audience

- Mid- to senior-level managers seeking to strengthen leadership and strategy integration.
- Business unit leaders, department heads, and team supervisors.
- Professionals transitioning into leadership roles.
- Decision-makers responsible for driving organizational performance and transformation.
