

*Training Course:
NEBOSH International Diploma*

14 - 18 June 2026

Cairo (Egypt)

Holiday Inn & Suites Cairo Maadi, an IHG Hotel

Training Course: NEBOSH International Diploma

Training Course code: HE236501 From: 14 - 18 June 2026 Venue: Cairo (Egypt) - Holiday Inn & Suites Cairo Maadi, an IHG Hotel Training Course Fees: 4100 € Euro

Introduction :

The NEBOSH International Diploma is an advanced qualification designed for professionals aiming to enhance their knowledge and skills in health, safety, and environmental management. This comprehensive program, developed by Global Horizon Training Center, is tailored for those who wish to assume senior roles in health and safety, helping them understand complex hazards, develop policies, and lead safety initiatives in their organizations. The course covers both theoretical knowledge and practical application, preparing participants for the globally recognized NEBOSH International Diploma exam.

Objectives :

By the end of the program, participants will:

- Gain an in-depth understanding of international health, safety, and environmental management.
- Be equipped with the skills to identify and assess risk, develop strategies for risk mitigation, and implement solutions.
- Understand key principles related to organizational health and safety and how to align them with business objectives.
- Be prepared for the NEBOSH International Diploma exam, demonstrating their ability to manage and advise on safety at a senior level.
- Develop the ability to lead health and safety initiatives in organizations, improving workplace safety, legal compliance, and risk management.

Target Audience

This program is suitable for:

- Health and safety managers and professionals aiming to progress to a senior management role.
- Senior managers, directors, or consultants who have responsibilities for health, safety, and environmental issues.
- Individuals responsible for developing health and safety policies and strategies within their organizations.
- Those seeking a globally recognized qualification to advance their career in the health and safety field.
