HR Process Design and Talent Management
Strategies*

*20 - 24 July 2026
London (UK)*

Training Course: HR Process Design and Talent Management Strategies

Training Course code: HR236531 From: 20 - 24 July 2026 Venue: London (UK) - Training Course Fees: 5775 € Euro

Introduction

This program focuses on designing efficient HR processes and implementing effective talent management strategies that drive organizational success. Participants will learn to optimize HR workflows, align talent initiatives with business goals, and foster a culture of high performance and employee development.

The training combines [theory](#), [practical exercises](#), and [interactive case studies](#), enabling participants to immediately apply HR process improvements and talent management best practices in their organizations.

Objectives

By the end of the program, participants will be able to:

- Design and streamline HR processes for efficiency and compliance.
- Develop comprehensive talent management strategies to attract, retain, and grow top talent.
- Align HR initiatives with organizational strategy and workforce planning.
- Implement effective performance management and employee development programs.
- Apply HR analytics to monitor processes and make data-driven decisions.
- Foster engagement, motivation, and high performance within teams.
