

*Training Course:  
International Oil & Gas Contracts and  
Negotiations*

*17 - 21 August 2026  
Madrid (Spain)*

## Training Course: International Oil & Gas Contracts and Negotiations

Training Course code: EN236261 From: 17 - 21 August 2026 Venue: Madrid (Spain) - Training Course Fees: 6825 € Euro

### Introduction

The oil and gas industry operates through complex contractual frameworks that govern exploration, production, transportation, and commercialization activities across international jurisdictions. Effective contract management and negotiation are critical to ensuring risk allocation, regulatory compliance, and commercial success.

This program, developed by [Global Horizon Training Center](#), provides participants with a comprehensive understanding of international oil and gas contracts and the strategic skills required for successful negotiations. It covers key contract types, legal frameworks, risk management, and negotiation techniques tailored to the energy sector.

Participants will gain practical insights into drafting, analyzing, and negotiating contracts, enabling them to protect organizational interests and achieve optimal outcomes in complex commercial environments.

### Course Objectives

By the end of this program, participants will be able to:

- Understand key types of oil and gas contracts and their structures
- Analyze contractual terms and risk allocation mechanisms
- Apply international legal and regulatory frameworks
- Develop negotiation strategies for oil and gas agreements
- Manage contract lifecycle from drafting to execution
- Identify and mitigate contractual risks
- Handle disputes and claims effectively
- Enhance negotiation and communication skills

### Target Audience

This program is designed for:

- Legal and Contract Professionals in oil & gas
- Commercial and Business Development Managers
- Procurement and Supply Chain Specialists
- Project and Operations Managers
