Training Course code: SC236426 From: 28 September - 2 October 2026 Venue: Kuala Lumpur (Malaysia) - Training Course Fees: 6300 € Euro

Introduction

In today's increasingly globalized legal environment, precision in English legal terminology is essential for accurate interpretation, drafting, advisory work, litigation, and cross-border engagement. Legal consultants, government advisors, in-house counsel, and regulatory professionals frequently deal with English-language legislation, international contracts, arbitration proceedings, comparative legal systems, and multinational regulatory frameworks.

The "Advanced Key Legal Terminology" program, designed by Global Horizon Training Center, is a specialized five-day intensive course developed to enhance participants' mastery of advanced English legal terminology across major branches of law: Constitutional Law, Administrative Law, Civil Law, Criminal Law, and Commercial Law.
