Training Course: Certified Training Coordinator

Training Course code: HR236564 From: 17 - 21 August 2026 Venue: Singapore - Training Course Fees: 6250 € Euro

Introduction

The Certified Training Coordinator program, designed by Global Horizon Training Center, is a comprehensive professional development program that equips participants with the knowledge, skills, and practical tools required to effectively coordinate, administer, and manage corporate training and learning initiatives. As organizations increasingly recognize the importance of continuous learning and workforce development, the role of the Training Coordinator has evolved into a strategic function that ensures learning activities align with organizational objectives, competency requirements, and business performance.

This intensive five-day program provides participants with a practical understanding of the complete training management cycle—from identifying organizational training needs and preparing annual training plans to coordinating logistics, managing training providers, monitoring budgets, evaluating learning outcomes, and measuring the effectiveness and return on investment ROI of training initiatives. Participants will also explore best practices in Learning & Development L&D, digital learning technologies, competency-based training, compliance requirements, and professional communication with internal and external stakeholders.

Through real-world case studies, hands-on workshops, group discussions, and practical exercises, participants will gain the confidence to manage training programs efficiently while contributing to the organization's strategic learning objectives.

Objectives

By the end of this program, participants will be able to:

- Understand the strategic role and responsibilities of a Certified Training Coordinator.
- Conduct effective Training Needs Analysis TNA using organizational and individual performance data.
- Develop annual corporate training plans aligned with business objectives.
- Coordinate internal and external training programs efficiently.
- Prepare and manage training budgets and monitor training expenditures.
- Manage relationships with training providers, consultants, and external vendors.
- Organize training logistics, participant registration, and learning documentation.
- Apply competency-based learning and development principles.
- Monitor employee learning progress and maintain accurate training records.
- Utilize Learning Management Systems LMS and digital learning tools.
- Evaluate training effectiveness using internationally recognized evaluation models.
- Measure training return on investment ROI and prepare executive training reports.
- Ensure compliance with organizational policies and regulatory training requirements.
- Develop continuous improvement strategies for organizational learning.

Course Methodology

The program utilizes a highly interactive and practical learning approach, including:

- Instructor-led presentations
- Interactive workshops
- Group discussions
- Individual and team exercises
- Case studies
- Practical Training Needs Analysis TNA activities
- Annual training plan development workshops
- Budget planning simulations
- Vendor evaluation exercises
- Training coordination simulations
- Training evaluation and ROI calculations
- Knowledge assessments
- Action planning sessions

Organizational Impact

Upon successful completion of this program, organizations will benefit from:

- Better alignment between training initiatives and strategic objectives.
- Improved planning and coordination of corporate learning activities.
- Enhanced employee competency development.
- More efficient utilization of training budgets.
- Standardized training administration processes.
- Stronger relationships with external training providers.
- Improved compliance with regulatory and mandatory training requirements.
- Higher employee engagement and participation in learning programs.
- Better measurement of learning effectiveness and business impact.
- Increased return on investment from organizational training initiatives.
