Training Course: Executive Leadership & Strategic Management Masterclass

Training Course code: LS236359 From: 16 - 27 November 2026 Venue: Paris (France) - Training Course Fees: 9450 € Euro

Introduction

The Executive Leadership & Strategic Management Masterclass, designed by Global Horizon Training Center, is an advanced and comprehensive program tailored for senior executives, directors, department heads, and high-potential leaders seeking to elevate their strategic influence and organizational impact.

In today's rapidly evolving landscape, leaders must go beyond traditional management skills. They must integrate strategic foresight, innovation, change leadership, advanced decision-making, and performance excellence to steer organizations toward sustainable success. This masterclass blends global best practices in leadership, strategic planning, organizational excellence, innovation management, and executive communication to empower leaders with the tools needed to navigate complexity, lead transformation, and achieve long-term business outcomes.

Participants will engage in real-world case studies, simulations, executive dialogues, leadership assessments, and strategy labs—equipping them with practical, applicable, and modern leadership capabilities.

Objectives

By the end of this program, participants will be able to:

- Master advanced principles of executive leadership and strategic management.
- Develop long-term strategic plans aligned with organizational goals.
- Strengthen strategic decision-making and problem-solving capabilities.
- Lead organizational transformation with innovation and agility.
- Apply global leadership models, frameworks, and governance principles.
- Enhance communication, influence, negotiation, and stakeholder management.
- Build high-performance teams and foster a culture of accountability and excellence.
- Analyze risks, anticipate disruptions, and lead with resilience.
- Utilize data-driven insights to guide strategic and operational decisions.
- Drive sustainable organizational growth and future-readiness.
