Training Course: PMI-PMOCP® Exam Preparation Program

Training Course code: PC236597 From: 8 - 12 November 2026 Venue: Cairo (Egypt) - Training Course Fees: 3750 € Euro

Introduction

The PMI-PMOCP® Exam Preparation Program has been professionally designed by Global Horizon Training Center to prepare experienced project management professionals for the PMI PMO Certified Professional PMI-PMOCP® certification examination.

The program is fully aligned with the latest PMI-PMOCP Examination Content Outline 2025 and covers all six examination domains identified by the Project Management Institute PMI. Participants will gain a comprehensive understanding of modern Project Management Office PMO practices, organizational project management, strategic governance, PMO service management, performance optimization, leadership competencies, and examination techniques.

Beyond theoretical knowledge, the program emphasizes real organizational scenarios, practical PMO implementation techniques, domain-based practice questions, exam simulations, and proven strategies to maximize success in the PMI-PMOCP certification examination. The exam itself covers six domains with defined weightings, and this program is structured to prepare participants across all of them.
