Project Management Skills*

*6 - 10 June 2027
Amman (Jordan)*

Training Course: Project Management Skills

Training Course code: PC4111 From: 6 - 10 June 2027 Venue: Amman (Jordan) - Training Course Fees: 4200 € Euro

Introduction

This course equips participants with essential project planning and control skills. It covers creating project scope statements, developing Work Breakdown Structures WBS, establishing performance indicators for schedule and budget monitoring, and applying capital budgeting techniques for project feasibility. Participants will also learn to effectively engage stakeholders and manage their expectations.

Course Objectives

By the end of the course, participants will be able to:

- Plan projects using a Statement of Work SOW and Work Breakdown Structure WBS
- Schedule project activities and build a project network model
- Calculate project budgets and schedule variances using Earned Value EV techniques
- Select the right projects using capital budgeting techniques
- Engage and communicate effectively with project stakeholders

Target Audience

- Project Managers
- Members of Project Management Offices PMOs
- Project Sponsors
- Functional Managers
- Senior Management
- Individuals interested in project management
