Training Course: Corporate Financial Planning, Budgeting & Control

Training Course code: FI2016 From: 18 - 22 January 2027 Venue: Cape Town (South Africa) - DoubleTree by Hilton Cape Town - Upper Eastside Training Course Fees: 6350 € Euro

Introduction

This course is designed to enable delegates to make corporate financial decisions in an increasingly volatile international marketplace in order to increase profitability, maintain liquidity and reduce financial risk.

The module follows the growth of a company from the development of a strategic corporate financial plan, the raising of finance, the preparation and management of budgets to support the plan, the management of financial risk and ultimately the measurement and evaluation of performance.

Major highlights of the course include its:

- Practical nature will ensure development of transferable skills as well as the knowledge and understanding
- Relevance in today's marketplace with a focus on major financial issues
- An international outlook, enabling company's/delegates to compete on a global scale and meet international standards
- Breadth and depth of coverage, making the course suitable for both finance and non-finance personnel
- Supporting material. Delegates will receive a detailed set of handouts, reading, case studies and examples in both hard and soft format which will enable them to review/use the topics covered at a later date.

Objectives

This seminar will enable delegates to:

- Develop effective corporate financial plans aimed at maximizing return and minimizing risk
- Evaluate the various methods of finance and make successful capital investment decisions
- Prepare, manage and control budgets to support the corporate financial plans
- Identify and manage financial risk effectively
- Measure and manage performance effectively
- Create opportunities for your personal development and increased financial awareness
