Training Course: Leadership Development for Marine Managers and Supervisors

Training Course code: MM1926 From: 7 - 11 March 2027 Venue: Sharm El-Sheikh (Egypt) - Sheraton Sharm Hotel Training Course Fees: 5100 € Euro

Introduction

Effective leadership is a critical success factor in marine and offshore operations, where safety, coordination, and decision-making directly impact operational performance and risk management. Marine managers and supervisors must lead diverse teams, manage complex environments, and ensure compliance with strict international standards.

This program, developed by [Global Horizon Training Center](#), is designed to strengthen leadership capabilities within maritime environments. It provides participants with practical tools and strategies to lead teams effectively, enhance communication, drive performance, and promote a strong safety culture.

Participants will gain the competencies required to manage people, optimize team performance, and lead confidently in dynamic and high-risk marine settings.

Course Objectives

By the end of this program, participants will be able to:

- Understand key leadership principles in marine environments
- Develop effective communication and interpersonal skills
- Lead and motivate teams in high-pressure situations
- Enhance decision-making and problem-solving capabilities
- Promote safety culture and accountability
- Manage conflict and improve team collaboration
- Apply coaching and mentoring techniques
- Drive performance and continuous improvement

Target Audience

This program is designed for:

- Marine Managers and Supervisors
- Ship Officers and Team Leaders
- Offshore and Port Supervisors
- Marine Operations Coordinators
- Professionals transitioning into leadership roles
