Amman (Jordan)*

Training Course: International Trade & Shipping

Training Course code: PC4094 From: 23 - 27 May 2027 Venue: Amman (Jordan) - Training Course Fees: 4200 € Euro

Introduction

Global trade is becoming increasingly complex, requiring organizations to manage suppliers, quality, costs, and delivery across international supply chains. This program equips managers with practical knowledge and tools to source vendors effectively, optimize shipping and logistics, ensure compliance, and develop cost-efficient supply chain strategies.

Course Objectives

By the end of this course, participants will be able to:

- Develop cost-effective international vendor sourcing strategies.
- Understand and apply shipping options and cost structures.
- Construct efficient global supply chain management strategies.
- Implement risk mitigation and marine insurance strategies.
- Ensure vendor compliance with international standards and corporate social responsibility.
- Create actionable plans to enhance organizational benefit from international trade activities.

Target Audience

- Procurement and sourcing managers
- Supply chain and logistics professionals
- Contract and purchasing officers
- International trade coordinators
- Managers responsible for vendor compliance, shipping, and distribution

Course Outlines 5 Days
