Training Course: Leading Organizational Change and Transformation

Training Course code: SC235343 From: 8 - 12 March 2027 Venue: London (UK) - Training Course Fees: 6300 € Euro

Introduction:

This 5-day training program is designed to equip participants with the essential knowledge, skills, and tools required to effectively lead organizational change and transformation initiatives. Through interactive sessions, case studies, and practical exercises, participants will gain insights into change management principles, transformational leadership strategies, and the importance of agility, resilience, and emotional intelligence in navigating organizational change.

Target Audience:

This training program is designed for:

- Mid to senior-level managers responsible for driving organizational performance and strategic initiatives
- Project managers overseeing change, transformation, and business improvement projects
- Team leaders seeking to enhance leadership capabilities during periods of change
- Professionals involved in organizational development and transformation initiatives
- Decision-makers responsible for implementing and managing change within their organizations
- Individuals aiming to strengthen their skills in change leadership, stakeholder engagement, and transformation management

Objectives:

By the end of this training program, participants will be able to:

- Understand the fundamentals of change management and transformational leadership.
- Develop resilience to navigate through change and uncertainty effectively.
- Implement strategies to lead organizational change initiatives successfully.
- Enhance emotional intelligence skills to inspire and motivate teams during times of change.
- Create a culture of agility and resilience within their organizations.

Outlines:

Day 1: Foundations of Change Management

Session 1: Introduction to Change Management
