Training Course: The Security Officer Development Programme

Training Course code: HE8217 From: 9 - 13 May 2027 Venue: Manama (Bahrain) - Training Course Fees: 5150 € Euro

Introduction

This comprehensive seminar equips Security Officers with the skills and knowledge needed to enhance personal and organizational performance in today's evolving risk landscape. Participants will gain expertise in technical security areas such as risk assessment, legislation, health and safety, incident control, and crisis management. The course emphasizes aligning security functions with organizational objectives while maintaining international standards and best practices. Through interactive and hands-on training, delegates will develop conflict resolution skills and implement effective security solutions. This program prepares security professionals to lead teams, manage risks, and create productive environments.

Objectives

- Identify best practice and effective policy implementation on leading security solutions
- Effectively operate and interact with a security function
- Identify communication strategies to build more productive communications
