Training Course: Strategic Corporate Social Responsibility

Training Course code: LS234748 From: 8 - 12 February 2027 Venue: Trabzon (Turkey) - Training Course Fees: 5775 € Euro

Introduction

This **Strategic Corporate Social Responsibility SCSR** training course provides an in-depth exploration of how businesses can integrate social responsibility strategies into their operations, creating a positive impact on society, the environment, and the economy. It aims to empower managers, professional leaders, policymakers, and academic professionals with the knowledge and skills required to implement effective SCSR strategies, enhancing organizational sustainability and fostering a positive brand image.

As one of the most powerful non-financial indicators of a company's development, operating style, and market positioning, SCSR is vital for improving business performance. The benefits of a tailored SCSR strategy are clear: increased employee retention, operational efficiency, cost reductions, enhanced investor relations, and sustainable growth. This course will provide participants with the tools to design, implement, and evaluate SCSR strategies tailored to their organizational needs.

Course Objectives

By the end of this **Strategic Corporate Social Responsibility SCSR** training course, participants will:

- Gain a comprehensive understanding of Corporate Social Responsibility CSR and its integration into business strategy.
