Training Course: Importance of Public Procurement During States of Emergency

Training Course code: FI1944 From: 26 - 30 April 2027 Venue: Tbilisi (Georgia) - Training Course Fees: 5775 € Euro

Introduction

This session provides a comprehensive introduction to the training program, outlining its objectives, structure, and expected outcomes. It highlights the critical role of public procurement during states of emergency and crisis situations, emphasizing its impact on ensuring continuity, efficiency, and effective resource management. The session also offers an overview of the legal and regulatory framework governing emergency procurement processes, with a focus on compliance, transparency, and accountability.

Objectives

- Understand the concept of public procurement during states of emergency
- Familiarize participants with the relevant laws, regulations, and guidelines
- Learn best practices for efficient and transparent procurement processes in emergency situations
- Develop skills to mitigate risks and ensure accountability in emergency procurement
- Enhance participants' ability to adapt and respond effectively to changing circumstances

Target Audience

- Procurement officers and professionals involved in emergency procurement
- Government officials responsible for policy-making and oversight
- Representatives from international organizations and NGOs engaged in emergency response
- Legal and compliance professionals working in the public sector
