# Training Course:
# ISO 26000 Social Responsibility (Lead Implementer)

Training Course code: SC234866 From: 3 - 7 January 2027 Venue: Istanbul (Turkey) - DoubleTree by Hilton Istanbul Esentepe Training Course Fees: 6300  Euro

## Introduction

ISO 26000 is an international standard, which was developed to provide guidance on how to behave in a socially responsible way. This standard is applicable to all organizations, whose aim is to contribute to the health and well-being of society, regardless of their size or industry. ISO 26000 is a guidance standard that helps organizations to enhance their operational processes and ensure a healthy ecosystem.

By attending ISO 26000 Social Responsibility, you will prove that you are effectively delivering products and services to stakeholders and the public; you will also demonstrate that you care about the environment and its sustainability.

Moreover, you will enhance the reputation of the company by attracting new customers and employees, who wish to maintain a healthy ecosystem.

## Objectives

- Understand the concepts, principles, and practices of Social Responsibility based on ISO 26000.
- Explore the role of Social Responsibility in supporting sustainable development and organizational sustainability.
- Learn how to integrate Social Responsibility practices into organizational strategies, operations, and decision-making processes.
- Understand the importance of accountability, transparency, ethical behavior, and stakeholder engagement.
- Develop knowledge of the core subjects of Social Responsibility, including human rights, labor practices, environmental responsibility, and consumer issues.
- Enhance organizational credibility through effective communication and implementation of Social Responsibility initiatives.
- Gain practical knowledge on reviewing, improving, and promoting Social Responsibility practices within organizations.

## Target Audience

- Managers or consultants concerned with and committed to Social Responsibility
- Expert advisors seeking to support organizations in contributing to sustainable development and encourage them to go beyond legal compliance
- Individuals responsible for integrating and promoting Social Responsibility behavior within an organization
- Individuals seeking to gain skillful knowledge of the key principles and practices of Social Responsibility
