Training Course: Story Telling

Training Course code: PS235006 From: 29 March - 2 April 2027 Venue: Bangkok (Thailand) - Training Course Fees: 6350
€ Euro

Introduction:

Storytelling is a powerful tool for communicating ideas, emotions, and information. It has been used for thousands of years to entertain, educate, and inspire people across cultures and generations. In today's digital age, storytelling has become even more important as a way to cut through the noise and connect with audiences on a deeper level. This training program is designed to help participants develop their storytelling skills and harness the power of storytelling to achieve their goals.

Objectives:

- Understand the fundamentals of storytelling and its role in communication
- Learn how to craft compelling stories that resonate with audiences
- Develop techniques for engaging listeners and creating emotional connections
- Learn how to adapt stories for different audiences and contexts
- Gain confidence in public speaking and presentation skills

Target Audience:

This training program is suitable for anyone who wants to improve their storytelling skills, including professionals, entrepreneurs, educators, and individuals who want to enhance their communication abilities. It is ideal for those who need to communicate complex ideas, inspire action, or build relationships with others.

Outlines:

Day 1: Foundations of Storytelling

Session 1: Introduction to Storytelling

- Definition of storytelling and its strategic importance in professional contexts
- The psychology of storytelling and its influence on audience perception and retention
- Case examples of effective storytelling across business, leadership, and communication settings

Session 2: Core Elements of a Story

- Story architecture: beginning, development, climax, and resolution
- Developing compelling plots and relatable characters
- Techniques for building tension, conflict, and meaningful resolution

Session 3: Crafting Your Story

- Audience analysis and tailoring narratives to specific stakeholder groups
- Leveraging anecdotes, metaphors, and symbolic language
- Editing, refining, and structuring stories for clarity and impact
