Training Course: Elementary First Aid

Training Course code: HE1954 From: 9 - 13 May 2027 Venue: Sharm El-Sheikh (Egypt) - Sheraton Sharm Hotel Training Course Fees: 4775 € Euro

Introduction:

The "Elementary First Aid" training program is designed by Global Horizon Training Center to provide participants with essential knowledge and skills in responding to basic medical emergencies. This program aims to equip individuals with the necessary tools to provide immediate assistance and support until professional medical help arrives. Through a combination of theoretical instruction and practical exercises, participants will gain confidence in handling various first aid situations effectively.

Objectives:

- To develop an understanding of basic first aid principles and procedures.
- To enable participants to recognize and respond promptly to common medical emergencies.
- To provide practical skills training in administering first aid techniques.
- To promote a proactive approach to safety and well-being in both personal and professional settings.
- To foster teamwork and effective communication during emergency situations.

Target Audience:

The Elementary First Aid training program is suitable for individuals from various backgrounds, including:

- Workplace employees seeking to enhance their occupational health and safety skills.
- Teachers and educators responsible for the well-being of students.
- Parents and caregivers interested in acquiring first aid knowledge for home emergencies.
- Volunteers in community organizations or sports clubs.
- Anyone interested in learning basic first aid skills for personal development.
